# STAMPED STEEL

## STRONG & DURABLE

Our ingenious stamped steel process creates a strong table base that is guaranteed to last a long time.

A welded top plate with column makes it one of the fastest table base assembly, using only a single bolt to assemble any base plate style. Made of Steel with a smooth matte black finish.

Table and Bar height are available for both models.

**CUSTOM COLORS AVAILABLE**

## CHROME STAMPED STEEL

Our chrome line table bases are featured in a knock down (KD) assembly style by using two bolts for the top plate and a single bolt for the base plate to fasten the unit together.

Engineered with our strong stamped steel process with a smooth chrome plated finish.

Table and Bar height are available for both models.
