

NEW 8030 SERIES

NESTING X BASE

MOBILE | FLIP-TOP | #201 S.S.

The Nesting X-style flip-top table base with casters for mobile space saving stow-away tables.

- Easy release and locking mechanism.
- Accommodates 36" round tabletops.
- Power option-notching on the bottom and top of the column for wire pass-through.
- Quality #201 stainless steel finish.
- Locking casters to secure the base in place.
- Maximize floor storage space when not in use for commonly moved tables.

CUSTOM COLORS AVAILABLE

#201 Stainless Steel

Durable #201 stainless steel finish pairs well with any table top color. Available in 29 1/4" Table Height and 40 1/4" Bar Height.

Nesting Design

30" X Style base features a nesting design for a space saving storage solution.

Flip-Top Mounting Plate

Easy to release handle locks the table top while in use or in stow-away position.

Wire Pass-through Feature

3/4" hole on top and bottom of the column for adding electrical options to your table top.

Locking Casters

3" Locking casters can lock into place for safe use.
